**THE SELECTION
PROCESS**

Candidates must be successful in each of the examinations and selection components listed to be eligible for a CO, YCO, or YCC appointment. Valid photo identification is required for admittance into the examination. Failure to complete any of the required forms or failure to appear for the scheduled components will result in elimination from the examination. All information submitted for consideration at every phase of the selection process must be accurate, complete and truthful and will be subject to verification. Any inaccuracy and/or omission may be considered intentional and may be cause for elimination from the examination and/or subsequent certification list.

EXAMINATION COMPONENTS**1) SCORING CATEGORY WORKSHEET (SCW) (WEIGHTED 100%)**

All candidates must complete the SCW as part of the application. Candidates will be scored based on the following structured rating factors: work habits/history, education/self-improvement efforts, and law-abiding behavior. The SCW will determine whether the candidate meets the announced minimum qualifications for the examination. The SCW will also evaluate the candidate's qualifications as they relate to the critical class requirements, including the special personal characteristics. This is a competitive examination; therefore, overall qualifications will be rated as compared to the qualifications of the other candidates.

**THE SELECTION
PROCESS (con't)****2) WRITTEN TEST (PASS/FAIL)**

The **CO/YCO/YCC** written test is designed to evaluate a candidate's skills in the areas of grammar, spelling, punctuation, reading comprehension, and basic mathematics.

Written Test Waiver - Candidates who have taken and passed the Department's written test for CO/YCO/YCC since January 2007 will **NOT** be required to retake the written test for this examination cycle. Written test waivers expire upon implementation of a new written test for CO/YCO/YCC.

3) PLACEMENT ON THE ELIGIBILITY LIST

Candidates who pass the SCW and written test will be placed on the eligible list. Candidates who are selected for appointment will be given a conditional offer of employment, contingent upon successful completion of the remaining selection components.

ADDITIONAL SELECTION COMPONENTS

Candidates are encouraged to visit CDCR's web site at www.cdcr.ca.gov for more detailed information regarding these selection components.

1) VISION SCREENING (PASS/FAIL)

A vision screening is conducted to determine the candidate's distant and color vision. To be successful in the vision test, the candidate's visual acuity must be no worse than 20/60 in each eye and correctable to 20/20 in each eye. **Applicants with uncorrected visual acuity worse than 20/60 may be accommodated if they have successfully worn soft contact lenses for at least one year and their visual acuity is corrected to 20/20 in each eye.** Color vision must be adequate to successfully perform the job as measured by the Ishihara or Farnsworth tests. Candidates who do not pass the vision screening, and/or do not provide a doctor's verification that the vision standards are met, will be eliminated from the examination. Candidates have six months from the date of the written test or participation in their first selection component to meet the vision requirements. Soft contact lenses and corrective surgery information is available at www.cdcr.ca.gov.

2) PHYSICAL ABILITIES TEST (PAT) (PASS/FAIL)

The PAT for **CO, YCO and YCC** applicants consists of two parts:

1. The Risk Assessment determines if it is safe for you to take the PAT. It consists of a screening of your current health status and a cardiac risk assessment that includes: age, height and weight, percentage of body fat, blood pressure, family history, smoking history, and level of physical activity. *If you fail the Risk Assessment, you will be required to provide a Physician's approval to participate in the PAT.*
2. Five physically demanding performance tests to evaluate your overall fitness to perform required job duties.
 - Test 1) PEDOL – Three-minute bicycle ergometer test with tension applied according to body weight. Blood pressure, heart rate and ECG will be monitored throughout the test. This test can be compared to a maximal stress test for individuals in below average condition.
 - Test 2) TRUNK STRENGTH – Requires the candidate to exert a maximal force against a cable tensiometer. Flexion: abdominal muscles (89 lbs.). Extension: Back extensor muscles (109 lbs.).
 - Test 3) GRIP STRENGTH – A hand grip dynamometer test designed to measure the candidate's grip strength (34 kg).
 - Test 4) DYNAMIC ARM – Utilizing the hands and arms, sitting on the floor behind the bike, the candidate must pedal a bicycle ergometer with 2.5 kps of resistance. The candidate must complete 45 revolutions in one minute.
 - Test 5) DYNAMIC LEG – The candidate must pedal at a rapid pace for one minute with 3.0 kps or resistance and complete 70 revolutions.

You will be given **three attempts** to pass the PAT within a six-month period. A passing score on the PAT is valid for one year and must be current at the time of appointment. More detailed information is available at www.cdcr.ca.gov.

3) BACKGROUND INVESTIGATION (PASS/FAIL)

The background investigation is conducted to determine if the candidate is of good moral character and suitable to assume the duties and responsibilities of a CO, YCO or YCC. Candidates are required to complete a *Personal History Statement* and provide other required documents. All documents will be collected and reviewed by a Background Investigator to ensure that the minimum qualifications are met and that the candidate is suitable for peace officer employment. The employment history, military experience, educational background, history as a law-abiding citizen (including contacts with law enforcement personnel, detentions, arrests, convictions, etc.), motor vehicle operation records, and other aspects of each candidate's history will also be reviewed and verified.

4) PEACE OFFICER PSYCHOLOGICAL EVALUATION (POPE) (PASS/FAIL)

The POPE includes two written tests and an interview with a psychologist to determine that the candidate is free of any emotional or mental limitations, which could restrict him/her from safely performing the essential functions of the position. The POPE is taken in two sessions: the written tests are taken first and then the interview is scheduled at a later date. An approved POPE is valid for one year and must be current at the time of appointment. Candidates not cleared by the POPE cannot reapply for this position for 12 months from the date of disqualification.

5) PRE-EMPLOYMENT MEDICAL EXAMINATION (PEM) (PASS/FAIL)

The PEM includes, but is not limited to: a urinalysis, complete blood count, blood chemistry panel, Venereal Disease Laboratory test (VDRL), respiratory protection testing, a general physical examination, and other tests, if necessary. Any limitation which restricts a person from safely performing the essential functions of the position may constitute basis for elimination from the certification list. An approved PEM is valid for one year and must be current at the time of appointment.

**ADDITIONAL
SELECTION
COMPONENTS
(con't)****6) ASSIGNMENT PROCESS**

Applicants who receive conditional job offers and who have successfully completed all selection components will be assigned to institutions based on departmental needs. **NOTE:** If you are contacted for an assignment and you do not reply or are unwilling to accept the assignment, you will be charged a waiver. After three such waivers, your name will be permanently removed from the employment list.

7) Basic Correctional Officer Academy (BCOA) and Basic Correctional Juvenile Academy (BCJA)

Candidates receiving and accepting assignments as COs, YCOs and YCCs must complete a 16-week, comprehensive training program at either BCOA (COs) or BCJA (YCOs & YCCs) located in Stockton or Galt, a suburb of Sacramento. Candidates are encouraged to refresh/develop their analytical, writing and memory retention skills; maintain their physical fitness; and take a **weapons course, prior to reporting to the BCOA or BCJA. Upon successful completion of the BCOA or BCJA, COs, YCOs and YCCs report directly to their assigned institution/facility. Failure to pass the BCOA or BCJA will result in rejection from the CO, YCO or YCC classification.

****YCOs and YCCs do not participate in weapons training.**
